CASTLE PARK UNLEASHES NEW FRIGHTS IN EXPANDED HALLOWEEN EVENT

New Scare Zones and Mazes for 2019 at Castle Dark

Riverside, Calif. September 12, 2019— This fall, Castle Park takes on a sinister side as it eerily transforms into **Castle Dark!** The ultimate Riverside Halloween experience beckons brave souls to face their worst nightmares with eight brand new terrifying elements. The gates of Castle Dark will creek open at 7 p.m. every Friday, Saturday and Sunday evening, Sept. 28 – Oct. 27.

Headlining Castle Dark are three Terrifying NEW Mazes, each with a different theme. Step right up folks! For terrors and horrors never before seen in **Jinxx & Havoc Twisted Circus!** See the twisted circus filled with freaks of nature, twisted acrobats and crazy clowns. In **Meltdown,** Guests must hurry to make their way through a radioactive nuclear facility in order to shut down the reactor before danger befalls the city. Finally, they might encounter **The Crooked Man** who walked a crooked mile, and in the process uncover something truly vile.

The Park will also be transformed by 5 Spine-tingling NEW Scare Zones. **Dark Harvest,** where an evil cult roams the darkness in search of souls to set free. There is also the realm of **The Lady in White** – a ghostly bride searches for her slain fiancé as other spirits lurk in the shadows. Carefully tiptoe through **Dia De Los Muertos** as once dead family members rise from their graves at night to celebrate the witching hour. The **Nightmare** will bring guests face to face with The Grim Reaper and his fallen monks, while **The Midway** will truly frighten, as a group of evil circus performers torment all those that enter.

Castle Dark at Castle Park is a special ticketed event, requires a separate ticket for admission and is not recommended for children under 13 or the faint of heart.
